ABOUT US

The Association of Otolaryngologists of India (AOI), is the largest and oldest professional association of ENT Surgeons of India.

ENT stalwarts Dr. P. V Cherian, (Founder President), Dr. H D Gandhi, (Founder Secretary), Dr. R.A.F Cooper, Dr. L.H. Hiranandani, Dr C. A. Amesur and Dr. S. G. Joshi and other prominent ENT surgeons of that era got together to register AOI as a trust association on the 13th of July 1948 at Mumbai.

It currently has its head office in Mumbai with Dr. Nandu Kolwadkar as AOI President, Dr. Kaushal Sheth as AOI Secretary, and Dr. Yogesh Dabholkar as the AOI Treasurer.

Due to the diligence, dedication, and perseverance of our esteemed seniors over the years, AOI has grown by leaps and bounds to evolve as the largest association of ENT surgeons in India with a life membership subscription base of more than 8000 ENT Surgeons.

For our Postgraduate students and younger colleagues, AOI has always endeavored to advance education in Otolaryngology with the aim of exchanging knowledge through its CMEs, surgical workshops, and hands-on instructional courses.

AOICON which is the Annual Conference is held with a view of providing a common platform for all members to enhance and update their scientific knowledge and experience. Renowned surgeons and experts in Otolaryngology from India and abroad are invited to AOICON to disseminate their knowledge and skills, teaching protocols, and research-based training for the benefit of all delegates.

AOI also publishes its prestigious journal 'The Indian Journal of Otolaryngology & Head-Neck Surgery' (IJOHNS) which is indexed. Every bimonthly issue brings out the best of papers and research done by our colleagues and updates regarding the latest scientific advances in Otolaryngology for the benefit of all our members.
